

***America the Racist?*, a timely new 172 page Ebook by H. J. Harris.**

- ☆ **A *Must Read* for white and black Americans as the 2008 presidential election unfolds.**
- ☆ **A concise, easy to read, historical, spiritual, and psychological treatment of *Racism in America* Its causes, evolution, and possibilities for the future.**
- ☆ **Once we understand why we are where we are as a nation, then we are better equipped to determine what must be done to become the “*one Nation under God*” described in Dr. King’s dream and the Pledge of Allegiance.**

Twelve Questions “*America the Racist?*” will answer about Racism in America:

- 1.** How the Declaration of Independence and the United States Constitution were impacted by signers who owned slaves and endorsed slavery.
- 2.** Why the issue of slavery was so important that over six-hundred thousand (600,000) Americans died in the Civil War.
- 3.** How American Christians undermined school desegregation and perpetuated segregation and separation. 11:00 am on Sunday morning is still the most segregated hour in America.
- 4.** What the Bible has to say about the spiritual impact of slavery on the future existence of America.
- 5.** How sex and economics have been at the core of American Racism, discrimination, and injustice.
- 6.** How racism has impacted every facet of American life from sports to law enforcement, from Military service to the color of God. There was a time in the not so-distant past when black police officers could not ride together in a police patrol car. The LWW policy.
- 7.** Why black Americans rarely form partnerships in business and find difficulty working together. The difference in psyche between blacks born in America and blacks born and raised outside America.
- 8.** How the slave master captured, broke the spirit, and institutionalized the vicious, vulgar process employed in the Making of a Slave.
- 9.** How the *Hundredth Monkey Phenomenon* applies to slavery and the condition and behavior of black and white Americans.
- 10.** Why the power of television was the single most important tool in showing the truth of American racism to the world.
- 11.** Does America have the Moral Authority to promote liberty and freedom to other countries when racism undermines the liberty and freedom of black Americans?
- 12.** Why the Barack Obama presidential campaign can be the catalyst in healing America of the cancer of racism.
